

Nov 1, 2007

Lone Willow Ranch  
Farmer John 559-694-0017  
Shelby 559-352-1486

Hello everyone,

This is a sad news letter for us to write. This will be the final delivery for the 2007 spring/summer/fall season. We want to let each and everyone know how much we have enjoyed sharing our farm with you. We hope your experience was just as gratifying as it has been for us. We will miss our interactions, but look forward to a bright and healthy spring. We have a lot of new ideas and always appreciate your comments. We will start reserving memberships early. If you are interested please do not hesitate, because we are only going to have a certain amount of memberships. It also helps us plan the planting and harvest. We encourage you to invite your friends and family. Our goal is to help everyone eat healthy. We will send out an email or flyer to remind you after the first of the year.

We are excited going into the winter produce. Those that are continuing we will have our first delivery on Thursday Nov. 15; we are going to bill month to month. As we are doing now.

This week's box

We have sweet peppers, arugula, kale, jalapeño, butternut squash, beets, herbs, spinach and tomatoes.

It is so hard to believe it is already November. Sara our intern from Peru will be leaving us next week. She has been with us for 8 months and has become part of our family. We will truly miss her. She will travel to Oakland for one week then hopefully she will relocate to a farm in Washington. She will gain a lot of valuable experience there. She will return to Peru in March and take home with her all of the valuable skills she has learned over the past year. We wish her the very best and pray for a safe, healthy and fulfilling life when she returns to Peru.

If you want to continue with the twice a month winter CSA you will need to contact us.

We want to hear what you think. What are your ideas? How we can improve?  
Look for our updated web page soon.

Thank you so much for your support! Talk with you soon.....

Take care and God bless,
